PRICE THREE CENTS

Junior Community Club Meets

Seniors to Hold Luncheon On October 16

With thirty members and guests on hand, the Junior Section of the Women's Community Club opened their season on Thursday night of this week.

The meeting was held at the home of Miss Ruth Haws, 107 Dudley Avenue. Miss Florence C. Haaf was in the chair. Miss Haaf is acting President of the Club, as Mrs. Dorothy Vernon Smith, the President, is critically ill, and the First Vice President, Mrs. Regina L. Caccia, resigned. Although handicapped by the loss of their two original leaders, the Juniors are going to carry on without interruption with Miss Haaf at the helm.

New Committee Chairmen were announced Thursday night. They are: Program, Miss Margaret Eckbert; Hospitality, Miss Marion Trotter; Membership, Miss Ruth Haws; Publicity, Miss Margaret Eyre; Dramatics, Mrs. Winifred Fretz; Welfare, Mrs. Margaret Doty. The appointment of Mrs. Fretz to the chairmanship of the dramatic committee was to replace Miss Augusta Witherow, who is going on the Keith Vandeville Circuit this winter.

The Welfare Committee last year continued their activities to the distribution of Christmas baskets. This season, however, it is planned to continue the work throughout the year. More welfare work is planned, and the Committee will keep in touch with sick members, sending flowers.

The program committee will be busy. So far several public events are planned, such as a play, one or more card parties, a movie benefit, perhaps a dance, for the benefit of the Building Fund of the Community Club, which the Juniors share. At the meetings a number of entertainments will be offered. Impromptu sketches and programs will be called upon. "Imported" talent is planned, and it is hoped to have some entertainment of a slightly more serious character, and more varied than in the past.

It was announced that Mrs. Neal Anderson had been appointed Senior Chairman, to replace Mrs. Robert J. Dohard, resigned. The Club has decided to make full use of Mr. Ralph S. Dunne's Bulletin Board, erected on the front of the Narberth Coal Co. office, for the use of this and other organizations. Club notices will be posted there regularly.

A Halloween party will be held on Thursday, November 1st, at the Y. M. C. A. Building. Admittance will be by mask only. The dance is under the direction of a special committee with Miss Ruth Haws as chairman.

The Juniors sent invitations to a number of new residents and other girls not members of the Club. Many attended the first meeting, while others were unable to be there because of other engagements. The invitations are indefinite, however, and girls interested in the Club are urged to attend any of the meetings.

Miss Margaret Eyre gave an impromptu book review, and the meeting concluded with refreshments. The next meeting will be held on Thursday, October 18th.

A NEW NEWSPAPER

The first issue of a new weekly newspaper was published in Bala-Cynwyd yesterday.

The publication is similar in scope to "Our Town," and has been brought forth in response to a growing need in that community for a weekly paper which will adequately chronicle its activities. The newspaper, headed the "News of Bala-Cynwyd," is edited and published by Philip A. Livingston, Editor of "Our Town." He will be pleased to send a copy of the new paper to any reader of "Our Town" who might care to accept it.

Church Bowlers to Start Soon

Popular Contests Will Begin October 12

An enthusiastic meeting of committees from the Methodist, Lutheran, Baptist and Presbyterian Churches of Narberth was held at the home of Mr. W. J. Bailey, 228 Essex Ave., on Monday evening, October 1st, when plans were outlined for the coming season of the Inter-Church Bowling League. The League was organized last year, and the first season was very successful, but it was the consensus of opinion that additional interest might be aroused if prizes were offered. Accordingly, it was decided to award four cups as prizes, one to the winning team, one for the highest individual score, one for the highest individual average, and one for the highest individual score in three games on a single night. No person is to be awarded more than one of the individual cups.

It was also decided to arrange a schedule of twenty-four games, two halves of twelve games each, the winners of the two halves to play for the cup. All the games will be played on Friday nights on the alleys in the basement of the Y. M. C. A.

The schedule as arranged is as follows:

FIRST MEETING

The Christian Endeavor Societies of the Narberth Presbyterian Church will hold the first meeting of the year next Sunday, October 7th, at 7.00 P. M. The meeting will begin promptly and will be held in the Sunday School Room.

A larger and better society is planned for this coming year. All young people of the congregation are invited to come and bring their friends. Subject for this meeting is "God's Word." Let's see how much good we can get out of this year's work.

HOME BAKE

The Narberth American Legion Auxiliary will place on sale Saturday, October 13th, at Cook Bros., Haverford Ave., the most delectable assortment of home baked goods heretofore offered to its many friends. The proceeds of this sale are to be used in the Welfare work of the Unit. Mrs. J. T. Howenstein is chairman of the committee.

LESTER W. NICKERSON

Word has been received of the death of Lester W. Nickerson, of Elmwood Avenue, at 10.30, this Thursday morning at Brookton, Mass. The burial will take place at Oak Hill, Mass., this Sunday (tomorrow) afternoon at 12.15, and a memorial service will be held in the Narberth Presbyterian Church at the same hour.

The FIRESIDE

Mr. and Mrs. George Van Zandt, of 106 Essex Avenue, are being congratulated on the birth of a daughter, Jennie Alice.

Marion D. Miller, 118 Essex Ave., a student at West Chester Normal School, is spending the week-end with her parents. She is accompanied by her roommate, Mortha Anne Patterson.

The Women's Foreign Missionary Society of the M. E. Church will meet with Mrs. F. C. Smith, Rockland Ave., on Monday, Oct. 8th, at 2.30 o'clock.

Mr. and Mrs. John Curtis, have moved from South Narberth Avenue to their new home at 105 Grayling Ave.

Mrs. Wm. C. Claghorn, of Chestnut Ave., is entertaining her uncle and aunt. Mr. and Mrs. Charles Rose, of New York City.

Mrs. H. A. Jacobs and Mrs. Leroy C. Douglass will spend next week at Erie, Pa., where they will attend the Woman's Club Convention.

The home of the late Mrs. E. C. Town on South Narberth Avenue has been taken by Mr. and Mrs. Chestnut.

A large class of Narberth children were confirmed last Thursday afternoon at St. Margaret's Church by the Bishop.

Mr. H. B. Speed, of Chestnut Ave., spent part of last week at Trenton, N. J., playing golf.

Mr. Russell Sharp, of Montgomery Ave., spent part of last week in Logan.

Mr. and Mrs. Schoeller, of Iona Ave., have moved into their new home at 47 Montgomery Ave.

Rupert Reger, Elwood Reiss, Robert Ewing and Ernest Purring, are Narberth boys spending the week-end in New York City.

Mrs. R. C. Sharp, of Montgomery Ave., left on Monday for a trip to Albany, N. Y.

Mr. B. G. Constantine, with his family, have returned from Ocean City, Md.

Zeelab, the fortune teller was absent from the Country Fair, but thank goodness, Jim Darville arrived in time to get on his costume, so, of course the affair was one grand success.

The missing fortune teller at the Country Fair last week was bad enough, but, oh gosh! we did expect to see the rattlesnakes.

AN IMPORTANT MEETING

The Westminster Circle of the Presbyterian Church will meet at the home of Mrs. Farmer, Thursday evening, October 11th. It is hoped every member of the Circle will be present at this meeting. There is a great deal of important work planned for this winter, new committees to be appointed, and the work assigned.

The Ladies' Auxiliary of the Church will sew with the Circle this season, and entirely new plans are being made in connection with this work.

Election of officers is slated for this meeting and every member should make an effort to make our opening meeting a large one.

NEW MEMBER

Mrs. Romaine C. Hoffman has been appointed to the Narberth Board of Health to succeed James W. Follin, who resigned recently. The present membership of the Board is Dr. C. T. Faries, president, Tristan B. duMarais, Gordon Warner, Otto Kruse (appointed this spring to succeed Walter Y. Shaw) and Mrs. Hoffman.

Tennis Club Fair a Huge Success

Big Crowd Attends Two-Day Event

Well, it's over, everybody is happy but tired, and the members are already talking about plans for the one in 1924. It was a wonderful success both socially and financially. The members worked hard and their efforts were rewarded by putting across the biggest, the best and the smoothest operated Country Fair in this neck of the woods.

On Friday afternoon Big Bill Tilden and Johnston played two sets of singles and Tilden took one of them at 6-3 and Johnston was the winner of the second set, 7-5. After that came the doubles in which Big Bill Tilden and his young protegee, Sandy Weiner, played Johnston and Carl Fischer, and the former won, 6-3, 6-3.

On Saturday there was assembled another gathering of stars of the Tennis World as Manuel and Jose Alonzo, Carl Fischer and R. N. Williams came out to help what they termed "the best spirited tennis club in the East." First Manuel Alonzo and R. N. Williams played singles, and Alonzo won, 6-3, 6-2 and 6-3. After that Carl Fischer and Jose Alonzo played two sets, and Fischer won one, 6-3, and Alonzo the other set, 6-4. To conclude one of the best afternoons of tennis ever seen anywhere, Mannheim or Forest Hills not excepted. Jose Alonzo and Roy Williams took on Carl Fischer and Manuel Alonzo in doubles, and the former two won, 2-6, 6-4 and 6-3. While we are talking about this tennis stuff, it can be said right here and now that the one or ones in the Club that were responsible for getting the above World's Champions in tennis to play gratis for the Narberth Tennis Club certainly reflected great credit upon themselves, the Club and residents of Narberth.

In going back to the other activities of the Country Fair, it can also be said that the women and the men did themselves proud, so proud in fact that a representation from the Glenside Club attended in a body and requested of Pres. Billy Evans that he gather up his Fair Committee in the near future and take them over to their Club and tell them how it's done. If the big fair in Philadelphia is to be a success in 1926, they had better look to Narberth for pointers the next two years. We too have the boys that can handle the money. You too would say so if you could but see Bill Hall and Art Staples handle those rolls that would choke a goat. Yes, everybody was tired but happy.

The grand prize Baby Lincoln was won by L. H. Stall, of Woodland Avenue, corner South 50th Street, Philadelphia.

VETERINARIAN LOCATES IN NARBERTH

Dr. R. M. Staley, Veterinarian a graduate of the University of Pennsylvania class of '06, has located at 223 Essex Avenue, Narberth.

The owners of pet animals in Narberth and vicinity will be glad to know that a Veterinarian is at their command. They will be especially interested to know that, by reason of long experience and an inherent fondness for small animals, Dr. Staley is exceptionally well equipped to care for the ills of their pets and that he will confine his practice to small animals exclusively.

NEW STREET

Property owners on Price Avenue, from Dudley to Essex, have paved this stretch of road.

This place is a part of the big operation petitioned by owners on Stuart, Price and Conway Avenues. The entire operation was suspended by the Borough as the petitioners have failed to take any action regarding payments. The new piece of road has been laid in accordance with Borough specifications and will effect a permanent and much-needed improvement.

Choral Society to be Reorganized

Annual Meeting Scheduled for Next Monday

Announcement is made of the Choral Society's annual meeting which will be held next Monday evening at the Y. M. C. A., October 8th, at 8.00 P. M. All active members, both past and present, as well as any others who are interested in choral work are urged to attend this meeting which will discuss the prospects of the organization for the coming season as well as elect the new officers and directors. The retiring board have a number of suggestions to lay before the meeting which will undoubtedly prove interesting and hope that there will be a full attendance so that these matters may be thoroughly discussed.

The history and aims of this local society need no enlarging upon except for the information of the newer residents of Narberth and vicinity. It has been in existence for three years and in that period has annually produced several very excellent programs of high class music here as well as a number of outside concerts, all of which have drawn the favorable notice of music critics. It has brought to Narberth for its concerts, assisting artists of the highest standing and has played a leading part in the development of a musical atmosphere in this community. The organization is purely amateur and membership is open to all singers in the vicinity. All new residents who are interested in work of this description are invited to attend the meeting. The membership is not limited and it is the aim of the officers to keep the active body up to a minimum of sixty voices. A number of the old members will be leaving Narberth, but a good many previous members have indicated their intention to resume active work again this year and among the newer residents the prospects of filling the vacant places appear very bright.

Further information as to the details of the organization can be obtained from any active member, or better yet, attend the meeting and learn first hand what you want to find out about it. The meeting will be open to all and a special invitation is extended to the new singers in town.

CHILDREN'S DANCING CLASSES RE-OPEN

Many of the residents of Narberth will be glad to know that the Children's Dancing Classes of the Women's Community Club of Narberth will re-open on Saturday morning, October 6th, at 10.30 o'clock in the Y. M. C. A. building.

The classes include boys and girls of all ages, a separate class being maintained for the little ones. Miss Marjorie Carter, whose dancing is well known in Narberth has been secured as teacher and Mrs. Eva Note Flannard, late of Walter Roe's Dancing Class, as pianist. The types of dancing taught will include Grecian, Oriental, Spanish, Ballet work and technique.

Mrs. M. F. Alexander is in charge of this work, and if those wishing to enroll will phone her, Ardmore 447-W, they can obtain further information.

A NOVEL IDEA

On Tuesday evening at the regular meeting of the Narberth Troop of Girl Scouts, they featured a flower show. In the spring each girl was given a plant to care for during the summer. Some of the results were very good and showed that great care had been taken.

At the flower show each girl brought a basket or bouquet of flowers which she arranged herself. Prizes were awarded for the best arrangement, the best basket, the best flowers, the best plant, the best bouquet and the best wild flowers. The Scouts were very much pleased to have Mr. Wohler present who acted as Judge and awarded the prizes.

PLANNING LUNCHEON

Unusual activity has been noted among the members of the Women's Community Club of Narberth. The answer is that tickets have been sent to members and prospective members for the annual luncheon with which the club opens its active year.

Many plans are being made to make this event, which will be held in the club rooms of the Y. M. C. A. building on October 16, one of the best of its kind. It is at this meeting, as at no other, that the members are able to visualize their actual relationship at the work of the club. This year, with enthusiastic veteran members, and plenty of new material to keep the regulars hustling, the prospects are exceedingly cheerful.

Numbered among the very entertaining speakers promised for the luncheon are Mrs. Prentiss Nichols and Miss Gertrude Ely, both of whom need no introduction to our club women.

The different classes held last year proved so satisfactory as to warrant their continuance in the club this year. Mrs. E. C. Drew will be in charge of the current events class, Mrs. Milton F. Alexander has taken the dancing class on her shoulders, and Mrs. Jesse S. Harris will plan the walks and pilgrimages which have been so popular. The club would also like to form classes in French, Reading, Gymnastics, and Public Speaking. These groups will organize in November, and Mrs. H. A. Jacobs, 3 Elmwood Ave., will be glad to receive the applications or give further information to all those who would care to join them.

LUTHERAN CONVENTION

Rev. M. E. Mellum, of Narberth, attended the Lutheran Synod Convention held in Meersink Lutheran Church, Phila., Pa., Rev. Ross M. Stower, D. D., pastor, on Monday, at 8 P. M., with the remarkable attendance of about 90% of all the ministers and delegates from the territory of that body stretching from the Atlantic Coast to the An-thracite coal regions.

The first session was preceded by a musicale of unusual power with a master artist at the great organ, and a quartette of rare ability rendering the finest selections.

The pastor of the Church gave the words of welcome to all and proceeded with the solemn and inspiring service of the Church, after which Rev. Joseph F. Hartman, D. D., of Phila., an official of the Synod, preached the sermon on "God's Way the Best," and Rev. H. A. Hansen, D. D., of Harrisburg, Pa., President of Synod, celebrated the Holy Communion in a most impressive and comforting manner, and closed the service with the benediction. The

meeting was made in the highest sense delightful by the most cordial welcome and treatment on the part of this "Friendly Church," so called, and that congregation kept well up to its reputation in this instance.

The Lutherans of Narberth mean efficiency and progress. They held, in the Community Auditorium, on last Sunday, Sept. 30th, two very well attended and delightful services, the one held in the evening being especially to solos and Bible Recitations. Instrumental music varied the usual order, and the sermon by the pastor was listened to with close attention, and was most helpful in every way. We want to do still better next time, and we ask the attendance and co-operation of all who may be interested in our work and its enlargement and growth.

There will be no effort made to build a new structure this fall or winter, but the congregation will be planning and preparing, and in due time, the Lord willing, operations will begin.

We call the attention of our town to the fact so oft reiterated that we are not selfish in our work, but desire to further the interests of the whole Church, promote the welfare of our town, bring a blessing upon the homes, and advance the Kingdom of our God.

WINTER DANCES

During August there was published in "Our Town" a list of the advance dates of the dances to be held this coming season by the Narberth Tennis Club, and the Committee is again inserting these dates with the thought in mind that possibly during previous notice, several parties interested in the social activities of Narberth might have been out of town, and that the notice had escaped their attention. We take pleasure in inserting same as follows:

Wed., Oct. 31, 1923—Hallowe'en.
Fri., Nov. 23, 1923—Dinner Dance.
Mon., Dec. 31, 1923—New Year's Eve.Sat., Jan. 26, 1924.
Sat., Feb. 23, 1924.

A GRAND CLIMAX

The Narberth 1923 baseball season came to its end last Saturday with the Newton A. A. as chief mourners.

It was some game. Newton held the lead up to the 9th inning, Narberth pulling through by the skin of her teeth.

The winning run was made with two out in the ninth. A great catch by Heckel saved the game. The hitting of Davis and Heckel featured.

HEARD FROM THE SIDE LINES

Safety note—R. G. eyes front when going through the locker room.

That the name of the Fortune Teller was Mis-fortune.

That Carl Metzger's suggestion of an armed guard was a good one.

That many a soiled dish was left in the sink the nights of the Fair.

That the rear view of the Fish Pond was good at times.

That some of the inactive members spent the evening at the Fair. That's all.

Ted Dold looked like the advertisement for Doan's Pills before taking. The stoop was caused from carrying bales of bills and bags of silver from the booths to Bill Hall.

Did you note the tan on Debbie's Pounds and pounds of mud pack to be used before the Dinner Dance.

When Billy Davies' Power Plant got to working in earnest, the motor of the prize Baby Lincoln sounded like the breathing of a humming bird. That plant, Billy, was a fine attraction.

What those men and women can't do when they make up their minds. That was SOME FAIR, Buddy. Ask Doc, he counted four hundred and seven cars parked on the Pike, and sold tickets to three hundred and ninety-eight. That's batting pretty near a thousand.

Yes! Two A. M. Sunday WAS a fine time to turn the clock back to standard time. It's nice to get up in the morning, but as Harry Lauder sings, "It's nicer to lay in your bed."

Yes! we missed Old Man Mac and his bally hoo suit and the diamonds.

WILL HOLD FAIR

Arrangements have been completed for "Wyndham Fair." This Bazaar is under the auspices of the Lower Merion Township League of Women Voters, and will be given Wednesday, October 10th, at "Wyndham," the attractive home of Miss Gertrude Ely, in Bryn Mawr, opposite Bryn Mawr College.

Under the able leadership of Mrs. Reynolds Pierpont, of Merion, with the assistance of Main Line matrons, competent committees have been organized and a variety of interesting features planned.

Mrs. J. Y. Huber, of Wynnewood, has charge of the general admission tickets which include the privilege of a concert to be given at 4.30 o'clock in Mrs. Geo. Vaux, Jr., of Bryn Mawr, will have charge of the sale of Bedspreads, unusual handhooked rugs and homespun out of the ordinary that were ordered especially for this bazaar by Miss Ely who has brought them recently from Murray Bay, Canada.

"Every one knows that as soon as the iron horse drew his shadow across the land the farms which the Government could scarcely give away suddenly jumped in value to fifty or a hundred dollars an acre, because the railroads had supplied them with the means of development, production and distribution.
